## Quality parts, shop supplies, and hard to find items.

Running a business requires continual vigilance and a positive response to challenges. At Riegel Resources we are determined to provide the very best to our customers, giving them excellent service along with superior price points.

The products we offer are of high quality and from the most trusted and recognized manufacturers in the automotive market. We want to give you the best parts at the best prices. Not only do we offer *better* than competitive pricing, we also work with you to develop individualized programs to help reduce maintenance costs.

We carry the some of the following lines: Hastings filters, TYC, Motorcraft, VGX carbon metallic friction, Stant, Kysor, Elgin, Bostech diesel injection and many more.

Fleet management is a demanding job. At Riegel Resources, we want to make that job a little easier.
